

CHIME 169 w

Electromechanical Chimes

With its sound plates of real bell steel, the classical Grothe two-tone gong reliably ensures a clear, rich tone during signalling. Conventional technology with the highest quality and longest durability. The 8 - 12V gongs can be operated via a transformer, but now have an additional compartment for 4 x 1.5V batteries as standard.

Model	Order No	Description	Colour	Dimensions
CHIME 169 w	44169	<ul style="list-style-type: none"> • Two tone • Slot for 4 x 1.5V type "C" battery* • 8 V~ (4 VA) • Max 83 dB(A) 	Casting colour: White Front colour: White	170(H) x 105(W) x 50(D) mm
