

CHIME 569-230V

Electromechanical Chimes

With its sound plates of real bell steel, the classical Grothe two-tone gong reliably ensures a clear, rich tone during signalling. Conventional technology with the highest quality and longest durability. The CHIME 230V version has an integral transformer to save during installation.

Model	Order No	Description	Colour	Dimensions
CHIME 569-230V	44179	<ul style="list-style-type: none"> Two tone Intergrated transformer 230-240V (0.06A) <p>NOTE: 230/240V rated bell press can only be used</p>	Casting colour: Heritage white	170(H) x 105(W) x 50(D) mm
